PROGRAM

The possibilities for this age group are varied and full of excitement and fun. The final decision, as to the program, will be made by the participants themselves. They will check off in order of preference their four selections for the program. Each participant is expected to fully participate in all parts of the program, but care will be made to ensure that at least two of their individual choices are included.

A typical day includes:

Morning Watch – devotions followed by Physical Warm-up
Program 1 with a Snack Break followed by Program 2
Lunch (each camper brings their own bag lunch) followed by Sports and then Program 3
