

Help us support Central Food Ministry by participating in this year's Souper Bowl Sunday Event. Due to the continued COVID-19 restrictions, we are using the same model as last year.

Listed below is our "menu" of soups and desserts. Please mark your selections and submit the form by Wednesday, February 9th. All items will be packaged up and ready for you to pick up at church on Saturday, February 12th from 1-3 or on Sunday, February 13th from 8-11 when you come for services.

We are accepting free will donations to support CFM. Please bring your donation with you when you pick up your order. Checks should be made out to Central Food Ministry.

Thank you for participating and supporting Central Food Ministry!
